Welsh Record Submission Form

1. This form is to allow WFAA members to apply for recognition of a Welsh Archery Record.

2. The form must be completed and signed by the Archer.

3. On completion the form should be signed and sent to the Classification Officer with the supporting score card.

4. The WFAA committee will review the information submitted against the current Welsh Record and if in agreement will update the record to show the new holder and the score.

5. No records can be submitted unless they have been shot under the rules of a Classification round and a shoot card is submitted with the form duly signed by the Archer and the Scorer on the day as well as the other archers shooting in the group.
